

Top Tips For The Best Willy Wonka Party...

- Send out invitations in good time.
- As part of the celebration watch the film – this will really get everyone into the spirit.
- Design your own party games linked in with the story and give sweets as prizes.
- Why not make the party fancy dress. Get the children to come as a characters from the film. Maybe the birthday boy or girl is Willy Wonka. Give guests character ideas such as Ompa Loompas or maybe Violet who transforms into a giant blueberry after trying an experimental piece of three course dinner gum!! This would be great fun as lots of great costumes. Think of all the funny photo's you would have of the children!
- Bake lots of lovely cakes and decorate them with coloured icing, chocolate beans and our birthday toppers. Present on the Wacky cake stand.
- As this theme is all about sweets add some extras to your party from the list below of fun candy!
